

This menu is designed for take out or delivery to a location of your choice. Menu items are served "family style" in disposable pans and plastic containers. Plastic eating and serving utensils, paper napkins and foam plates are included for your convenience. All meals include either rolls and butter or chips and pickles. Soda and water can be purchased separately. This menu can be upgraded to include servers, china and buffet ware - consult our event planners for details.

How It Works:

- Choose a price category to create a "custom menu".
- Call (518) 235-2656 and one of our event planners will walk you through the ordering process. You will be done in about 5 minutes - "Party Planned"!
- All prices are per person and do not include delivery fees and sales tax. If tax exempt, please provide certificate of exemption.
- Delivery fees are based upon time and mileage within a 75 mile radius. Ask your planner for a quote.
- Please try to order 24 hours in advance...exceptions are made. All cancellations require 24 hour notice.
